### **MEMORANDUM**

HONORABLE MAYOR AND CITY COUNCIL

FROM:

CAROLYNN PETRU, ACTING CITY MANAGER

DATE:

SUBJECT:

**WEEKLY ADMINISTRATIVE REPORT** 

### PENINSULA REGIONAL LAW ENFORCEMENT CRIME STATISTICS

Attached for the Council's information are pertinent excerpts from the statistics presented at the Peninsula Regional Law Enforcement Committee meeting held on August 14, 2014. The data is for the second quarter of 2014 (April through June).

The second quarter continued to show a decline in Part I crimes, particularly in the areas of thefts from vehicles and other larceny thefts. Residential burglaries also decreased slightly. Overall, the most serious crimes were down 33% compared to the same period last year. The Sheriff credits the decreases to several significant burglary arrests. For the most part, Part II crime rates remained about the same compared to last year, except for an increase in the number of incidents related to public intoxication, both from drugs and alcohol.

### Attachments:

### Part 1 Crime

Law enforcement agencies across the county use the FBI's Uniform Crime Reporting (UCR) system to collect and report crime statistics. Part 1 crimes consist of the eight most serious offenses including homicide, rape, robbery, aggravated assault, burglary, larceny theft, motor vehicle theft and arson.

### Part 2 Crime

Part 2 crimes include 22 categories of offenses ranging from simple assaults to vagrancy.

### **Traffic Statistics**

Please note that the "Traffic Enforcement Index" is a ratio of the number of hazardous traffic citations issued to the number of injury collisions. An index higher than 20 is considered to be good.

### Sheriff Response Time Performance

The Sheriff's goals for response times are under 7 minutes for Emergency Calls, under 20 minutes for Immediate Calls and under 1 hour for Routine Calls.

City Manager's Report August 20, 2014 Page 2

### **Ambulance Response Statistics**

The ambulance company's goal for response times is 90% under 9 minutes.

### **FOLLOW-UP REGARDING TAX SALE 2014A**

As a result of the City Council's action at last night's meeting, Staff will be pursuing the acquisition of the Crownview Drive flag lot in Upper Miraleste Canyon (APN 7566-015-026) and the vacant lot at 37 Cherry Hill Lane in the active Portuguese Bend landslide area (APN 7572-004-001). Staff expects to file the necessary application with the County Treasurer and Tax Collector by the end of this week.

With respect to the acquisition of the George F Canyon property (7568-006-008), Staff will be conferring with the Palos Verdes Peninsula Land Conservancy in the coming days. If the Conservancy desires for the City contribute to the cost of the purchase of this property, Staff expects to bring back an item on the September 2<sup>nd</sup> agenda for the City Council's concurrence. However, if the Conservancy desires to pursue the acquisition of this property entirely on its own, Staff will provide a future update to the City Council in the Weekly Administrative Report. As a reminder, the deadline by which an application to acquire the George F Canyon property must be filed is Friday, September 5<sup>th</sup>.

Finally, last night's Staff report noted that one of the properties offered for sale is a small, fragmentary lot located within the private street right-of-way of Surrey Lane (APN 7568-009-008). Staff noted that there was no public value in the City's acquisition of this property. However, Staff believes that the property may be of interest and/or value to abutting property owners on Surrey Lane. Therefore, Staff has sent the attached courtesy notification of Tax Sale 2014A to these abutting property owners.

### STATUS OF SB 556 (PADILLA)

On August 5, 2014, Senate Bill No. 556 (SB 556)—now authored by Senator Alex Padilla (D-Pacoima)—was removed from the inactive file and placed before the State Assembly for a third reading. As the City Council may recall, this bill deals with identifying the vehicles and uniforms of private contractors with disclosures that they are not government vehicles or employees. The bill was further amended in the Assembly on August 7, 2014 (see attached bill and analysis). In addition to the change in authorship, SB 556 has been narrowed in scope. It now appears that it would only apply in instances where private companies provide emergency response services for public agencies, such as ambulance services. As the City Council is aware, the City's ambulance service is provided by McCormick under contract to the Los Angeles County Fire Department. Neither McCormick vehicles not its employees' uniforms currently bear the City's logo. The League of California Cities opposed previous versions of SB 556, and has not changed its position on the current iteration.

As of the date of this report, the Assembly had yet to conduct the third reading of the latest versions of SB 556. Staff will continue to monitor SB 556, and will report back to the City Council on its status in upcoming Weekly Administrative Reports.

### SAN PEDRO FACILITY RESTORATION ADVISORY BOARD MEETING AND TOUR

For several years, the Department of the Navy has been conducting environmental investigations at locations within the Defense Fuel Support Point (DFSP) San Pedro (i.e., the Navy fuel depot on North Gaffey Street), and at the former Palos Verdes and San Pedro Navy housing areas. Environmental investigations within the former Navy housing areas have been addressed through the Navy Base Realignment and Closure (BRAC) Office's Environmental Restoration Program (ERP), and environmental sites within the DFSP facility have been addressed as part of the Navy's Installation Restoration Program (IRP). In the summer of 1994, the Navy established a Restoration Advisory Board (RAB) for all of the IRP sites at DFSP San Pedro.

The DFSP San Pedro RAB now meets twice each year to review the progress and status of the IRP on non-BRAC DFSP San Pedro sites. The RAB concerning the BRAC portion of the DFSP San Pedro facility (i.e., the Navy former housing sites) has been adjourned since those sites have already received regulatory approval for closure. Staff monitors the action of the RAB as a part of the regular bi-monthly Border Issues Status Report.

The next RAB meeting will be held on Wednesday, August 27, 2014, from 5:30 PM to 7:15 PM, and will include a tour of DFSP. A copy of the RAB cover letter and agenda are attached. The meeting and tour are open to the public, but tour participants are advised to wear sturdy shoes and long pants. Unfortunately, Staff will be unable to attend this meeting and tour.

The RAB continues to seek new members, including the selection of a permanent RAB Community Co-Chair (a position last held by the late Gil Alberio, a former Rancho Palos Verdes Planning and View Restoration Commissioner and *Rolling Hills Riviera* resident). Those interested in the Community Co-Chair role and/or RAB membership in general should contact the Navy's RAB public outreach coordinator, Kellie Freeman, at (619) 272-7217 or via email at <a href="mailto:Kellie.Freeman@ch2m.com">Kellie.Freeman@ch2m.com</a>. The next RAB meeting is expected to occur in the first guarter of 2015.

### LETTERS OF APPRECIATION FROM CITY GRANT RECIPIENTS

Staff recently received letters of thanks from South Bay Family Health Care and the Peninsula Symphony Association for Fiscal Year 13-15 City Grants. Copies of the letters are attached.

SUBJECT: Courtesy Notification of Tax-Defaulted Property Sale 2014A

Dear Interested Party:

Pursuant to State Revenue and Taxation Code, properties that are determined to be in default for unpaid property taxes for five (5) years or more are periodically put up for sale at public auction by the Los Angeles County Treasurer and Tax Collector. However, if it is determined that a parcel is needed for public purposes, the City may request to have the parcel removed from the auction and acquire title to the property.

The City has received notice that Assessor's Parcel No. 7568-009-008 will be offered at public auction by the County on October 20 and 21, 2014, as a part of Tax-Defaulted Property Sale 2014A. An aerial photograph showing the approximate location of this parcel (highlighted in yellow) is enclosed. The minimum bid for the APN 7568-009-008 is \$4,880.

Since this parcel encompasses a private street right-of-way, the City does not believe that there would be any public value in City ownership of this parcel. However, this parcel might be of some value to abutting Surrey Lane property owners. Therefore, the City is providing this courtesy notification of Tax-Defaulted Property Sale 2014A to the seven (7) abutting Surrey Lane property owners.

If you have any questions about Tax-Defaulted Property Sale 2014A and/or the procedure for registering to bid, please contact the Los Angeles County Treasurer and Tax Collector at (213) 974-2040 or visit their website at <a href="http://ttc.lacounty.gov">http://ttc.lacounty.gov</a>.

Sincerely.

SUMMARY: Prohibits nongovernmental persons or entities contracting to perform services relating to public health or safety for public agencies from displaying a logo of a public agency on a uniform or vehicle, as specified, unless a disclosure statement is also displayed identifying the identity of the uniform wearer or vehicle operator providing services for the public agency. Specifically, <a href="https://doi.org/10.1007/jhis.org/10.1007/jhi

- 1)Makes it unlawful for a person, firm, corporation, or association that is a nongovernmental entity and contracts to perform labor or services relating to public health or safety for a public agency to display on a vehicle a logo of a public agency that reasonably could be interpreted or construed as implying that the labor or services are being provided by employees of the public agency, unless the vehicle conspicuously displays a statement indicating that the contractor is the service provider, such as "SERVICE PROVIDED BY:" or "CONTRACTED BY:" immediately followed by the logo including the name of the contractor, and its place of legal incorporation
- 2)Makes it unlawful for a person, firm, corporation, or association that is a nongovernmental entity and contracts to perform labor or services relating to public health or safety for a public agency to display on a uniform a logo of a public

agency that reasonably could be interpreted or construed as implying that the labor or services are being provided by employees of the public agency, unless the uniform conspicuously displays the logo including the name of the contractor providing the labor for the public agency.

- 3) Requires the disclosure to be placed near the largest logo referring to the public agency if the vehicle or uniform displays more than one such logo.
- 4)Clarifies that the disclosures required by this bill shall apply to all contracts for labor or services entered into on or after January 1, 2015.
- 5) Prohibits a public agency from requiring, through a contract with a nongovernmental entity to provide public health or safety services, that an employee of that nongovernmental entity wears a badge containing the logo of the public agency.
- 6) Prohibits a nongovernmental entity contracting to provide public health or safety services for a public agency to require an employee of that nongovernmental entity to wear a badge containing the logo of the public agency.
- 7)Clarifies that the term "conspicuously displays" means to display a disclosure on the exterior of a vehicle or uniform in the same location as the logo of the public agency, placed prominently as compared with other words or designs displayed in connection with the logo of the public agency.
- $\theta$ ) Clarifies that an identifying mark affixed to a uniform as

required by state or federal law, and a local agency regulating the activity of the person, firm, corporation, or association shall not be construed as implying that the labor or services are being provided by employees of the public agency.

9) Provides that violations of this act shall be subject to the remedies provided in the Consumers Legal Remedies Act (CLRA)

SB 556

(Title 1.5 (commencing with Section 1750) of Part 4), and that the duties, rights, and remedies provided in this bill are in addition to any other duties, rights, and remedies provided by state law.

FISCAL EFFECT : None

COMMENTS: This bill, cosponsored by the California Labor Federation and the California Professional Firefighters, seeks to prohibit private contractors who contract to perform labor or services relating to public health or safety with public agencies from displaying a logo of a public agency on a uniform or vehicle, as specified, that reasonably could be interpreted as implying that the contracted labor or services are being provided by employees of the public agency - unless, that is, a disclosure statement is also conspicuously displayed on the uniform or vehicle identifying the logo including the name of the private contractor providing the service. This bill now clarifies that these disclosure requirements apply prospectively, that is, to all contracts for labor or services entered into on or after January 1, 2015.

According to the author, this bill is needed to ensure that members of the public can visually distinguish between government employees and non-government employees who increasingly are subcontracted to perform services relating to public health or safety that traditionally have been the domain of government employees. Proponents assert that the public has the right to know if a particular worker providing a service that appears public in nature is in fact a public employee, or is instead an independent contractor, subcontracted worker, or other nongovernmental employee not working for a public agency. This matters, they contend, because in certain situations, the public employee is required to have greater training and is held to a higher degree of accountability to the public by virtue of being an employee of a public agency, rather than that of a private employer or as an independent contractor. Accordingly, the bill seeks to prevent confusion or misperceptions that result, proponents contend, when private contractors hired by public agencies perform services relating to public health or safety and use uniforms or vehicles appearing very similar to those used only by employees of the public agency.

This bill provides that a person or company that is a nongovernmental entity and contracts to perform labor or  ${\sf perform}$ 

Page 4

services relating to public health or safety for a public agency must abide by specific disclosure requirements with respect to that entity's vehicles and uniforms. In those circumstances, this bill seeks to promote transparency by requiring the uniform or vehicle conspicuously display a disclosure identifying the contractor's logo and name, and in the case of vehicles only, the state or country where the contractor is legally incorporated or organized

the state or country where the contractor is legally incorporated or organized. Unless the vehicle or uniform at issue displays this identifying information about the private contractor, the contracting nongovernmental entity may not display on the vehicle or uniform a logo of the public agency that "reasonably could be interpreted or construed as implying that" the service is being provided by a public employee. "Logo" is defined as a symbol, graphic, seal, emblem, or other content identifying the company or agency. Recent amendments clarify the appropriate display and location of required disclosures upon the exterior of a vehicle or uniform, as specified.

As recently amended, this bill prohibits a public agency from requiring, through a contract with a nongovernmental entity to provide public health or safety services, that an employee of that nongovernmental entity wears a badge containing the logo of the public agency. Conversely, the bill also prohibits a nongovernmental entity contracting to provide public health or

safety services for a public agency to require an employee of that nongovernmental entity to wear a badge containing the logo of the public agency.

Violations of the requirements proposed by this bill may be enforced using the remedies provided by the CLRA (Civil Code Section 1750 et seq.) The CLRA establishes a nonexclusive statutory remedy for unfair methods of competition and unfair acts or practices in various consumer transactions, as specified. According to the author, the CLRA offers an appropriate set of remedies for violations of this bill - remedies which prioritize disclosure and display requirements over the recovery of money damages. Specifically, the CLRA allows an action for injunctive relief to enjoin acts that do not comply with the bill, in this case non-compliance with the uniform and vehicle-related display and disclosure requirements of the bill. In addition, the CLRA requires notice and opportunity to correct for a period of thirty days before any action for damages is allowed, including cases where the action for damages is allowed, including cases where the plaintiff seeks to amend a complaint for injunctive relief to

include a request for damages.

Opponents contend that allowing similar uniforms and vehicles to be used by contractors should be a matter of local control. Opponents also contend that they are unaware of any problem associated with a private contractor wearing a similar uniform or having a similar vehicle that causes confusion for the public, and that the bill is a solution in search of a problem. For example, the California Ambulance Association (CAA) states in opposition: "Under SB 556, emergency ambulance service providers would incur large costs in being forced to redesign the look of ambulances and uniforms. The potential costs to private providers would be superfluous as there is no documentation of uniforms or ambulance appearance posing any risk to patient or public safety. The objective of this bill is already covered within the Business and Professions Code as existing law prohibits false or misleading advertisements and the impersonation of a licensed individual. Although SB 556 seeks specifically to protect consumers from a person posing as an emergency responder (those who perform health or safety services), current criminal law covers such cases." services), current criminal law covers such cases."

SENATE BILL

No. 556

### Introduced by Senator-Corbett Padilla

February 22, 2013

An act to add Title 18 (commencing with Section 3273) to Part 4 of Division 3 of the Civil Code, relating to agency.

#### LEGISLATIVE COUNSEL'S DIGEST

SB 556, as amended, Corbett Padilla. Agency: ostensible: nongovernmental entities.

Existing law specifies the authority of agents in dealing with 3rd persons. Existing law states when an agency is ostensible for purposes of determining the authority of an agent. Existing law prohibits unfair methods of competition and unfair or deceptive acts or practices undertaken by a person in a transaction intended to result or which results in the sale or lease of goods to any consumer.

This bill would prohibit, for all contracts for labor or services entered into on or after January 1, 2015, a person, firm, corporation, or

91

SB 556 —2—

association that is a nongovernmental entity and contracts to perform labor or services relating to public health or safety for a public entity from displaying on a vehicle or uniform a logo, as defined, that reasonably could be interpreted as implying that the labor or services are being provided by employees of the public agency, unless the vehicle or uniform conspicuously displays a disclosure, as specified specific disclosures. The bill would prohibit a public agency from requiring a person or employee of a nongovernmental agency providing public health or safety services under contract with the public agency to wear a badge containing the logo of the public agency. The bill would prohibit a nongovernmental agency providing public health or safety services under contract with a public agency from requiring a person or its employee to wear a badge containing the logo of the public agency.

Vote: majority. Appropriation: no. Fiscal committee: no. State-mandated local program: no.

The people of the State of California do enact as follows:

SECTION 1. Title 18 (commencing with Section 3273) is 2 - added to Part 4 of Division 3 of the Civil Code, to read: 3

AUG 18 2014

IN REPLY REFER TO: 5090 Ser 45W/0131 14 Aug 2014

Dear Restoration Advisory Board Member:

Naval Weapons Station Seal Beach will hold a Restoration Advisory Board (RAB) meeting for the Defense Fuel Support Point (DFSP) San Pedro on Wednesday, August 27, 2014, from 5:30 to 7:15 PM, at DFSP San Pedro. The enclosed agenda lists the proposed topics and the location/address of the RAB meeting. The DFSP San Pedro RAB meets to review ongoing Installation Restoration Program (IRP) work.

Applications are continuing to be accepted for RAB membership. RAB members serve a two-year term and attend the semiannual RAB meeting. Duties and responsibilities will include reviewing and commenting on technical documents and activities associated with the IRP at DFSP San Pedro. Members are expected to act as a source of information exchange between the community and the Navy.

If you are interested in RAB membership, please contact Kellie Freeman at (619) 272-7217 or via email at: Kellie.Freeman@ch2m.com.

If you have any questions, you may contact the Navy Remedial Project Manager, Ms. Brenda Reese, at (619) 532-4209 (email: brenda.reese@navy.mil) or the Principal Environmental Scientist, Dr. Margaret Wallerstein at (562) 626-7838 (email: margaret.wallerstein.ctr@navy.mil).

WHEN: Wednesday, August 27, 2014, at 5:30 PM

WHERE: Defense Fuel Support Point, San Pedro

3171 N. Gaffey Street, Building 100, San Pedro, CA 90731

The Department of the Navy continues to conduct environmental investigations at Installation Restoration Program (IRP) sites within the Defense Fuel Support Point (DFSP) San Pedro, and at the former Palos Verdes and San Pedro Navy housing areas. In the summer of 1994 the Navy established a Restoration Advisory Board (RAB) for all of the IRP sites. RAB meetings are **OPEN TO THE PUBLIC** and are intended to provide an open forum for the community to participate in all aspects of the investigation and environmental cleanup activities associated with the Navy's DFSP San Pedro IRP. The meeting provides IRP status information.

The Navy will be holding a RAB meeting and site tour for the DFSP San Pedro on Wednesday, August 27, 2014 from 5:30 to 7:15 PM, at DFSP San Pedro. If you plan to attend the site tour and meeting, we recommend you wear sturdy walking shoes and long pants.

Applications are being accepted for RAB membership. RAB members are expected to serve a two-year term and attend the semiannual RAB meetings. Duties and responsibilities will include reviewing and commenting on technical documents and activities associated with environmental restoration at the Navy's DFSP San Pedro facility. Members act as a liaison for information exchange between the community and the RAB. If you are interested RAB membership, please contact Kellie Freeman, at (619) 272-7217 or via email at Kellie.Freeman@ch2m.com.

Rancho Palos Verdes, CA 90275

Dear Mr. Waters:

On behalf of the South Bay Family Health Care (SBFHC), I wish to thank the City of Rancho Palos Verdes for your past support and continuing dedication. Your recent grant of \$2,528 will assist SBFHC to continue to provide medical visits to low- income, uninsured and underinsured Rancho Palos Verdes residents at our clinic located at 2114 Artesia Boulevard, Redondo Beach, CA 90278.

For your records, South Bay Family Health Care is recognized as a 501(c) 3 tax-exempted organization and our tax ID # is 23-7049937. Pursuant to IRC Section 170(f) (8), no goods or services have been or shall be provided in exchange for this donation.

Once again, thank you very much for your continuing dedication and support to SBFHC and all those we serve with your help.

Sincerely,

Dear Matt:

Responding to your letter addressed to Nancy Mahr, I wish to thank you for the generous grant of five hundred dollars (\$500.00), received August 8th.

We are very grateful for the many years RPV has supported our efforts to bring classical music to the South Bay. We realize budgeting is difficult and take note of your statement that no grant applications will be accepted for FY 15-16. Hopefully things will improve, and we can try again the following year.

On behalf of the Board of Directions, thanks to you and the members of the RPV City Council for helping us add to the cultural climate of our community.

Sincerely,

John Williams, President

#### 21st AWARD FOR EXCELLENCE IN FINANCIAL REPORTING

The City recently received notification that it has received the award for Excellence in Financial Reporting from the Government Finance Officers Association (GFOA). This is the 21<sup>st</sup> year in a row that the City has received the award; which is the highest form of recognition in the area of governmental accounting and financial reporting. The City's June 30, 2013 Comprehensive Annual Financial Report (CAFR) was judged by an impartial panel to meet the high standards of the program including demonstrating a construction "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the CAFR. The GFOA is a nonprofit professional association serving approximately 17,500 government finance professionals with offices in Chicago and Washington DC. I would like to extend a thank you to both Kathryn Downs and Linda Gan-Vanderlinde who co-prepared the CAFR. Linda has been instrumental in managing the audit and preparation of the CAFR while Kathryn and I have been re-directed to other important projects and demands.

### **DELAY OF CALPERS 2013 ACTUARIAL VALUATION REPORT**

CalPERS released a circular bulletin on Monday, August 18th stating the release of the 2013 Actuarial Valuation Report (AVR) has been pushed back to the end of October 2014. CalPERS had initially planned on making the report available by the end of August. CalPERS cites many reasons for the delay, primary among them are the many valuation changes made this past year and difficulties encountered in the actuarial valuation process.

### **ESTIMATED GENERAL FUND RESERVES AT JUNE 30, 2015**

When asked during the City Council meeting on August 19, 2014, staff answered that the balance of the Excess General Fund Reserve (the amount above the policy threshold) was about \$2-2.5 million. The 2014 Five-Year Financial Model that was approved by the City Council on June 19, 2014 indicated that estimated Excess General Fund Reserves would be a little less than \$2 million at June 30, 2014. Although staff expects a positive variance to be recorded with the closing of the books for FY13-14, thereby increasing General Fund reserves, the final amount is not known at this time. City Council Policy No. 41 also requires the prior year General Fund expenditure variance be transferred to

the CIP Fund. Therefore, General Fund money that has been transferred to the CIP Fund pursuant to this policy and has been used to fund one-time FY14-15 appropriations should not be considered to balance the structural budget.

It's also important to remind everyone that the FY14-15 General Fund budget includes a \$7.6 million transfer from the General Fund to the CIP fund, including an \$820,000 subsidy to the storm drain program, resulting in an estimated Excess General Fund Reserve of about \$200,000-300,000. This estimate was published before the City's Council's August 19<sup>th</sup> action regarding Utility Users Tax (UUT). Staff expects that yearend budget recommendations planned for the September 2<sup>nd</sup> agenda will include proposals to offset the FY13-14 UUT revenue that will be diverted to the UUT Claim Account. Staff also expects to return to the City Council with proposed FY14-15 budget adjustments in light of the suspension of UUT revenue for telecommunication services.

### 2014 TRUMP NATIONAL WINE AND BEER FESTIVAL THIS SUNDAY

This Sunday, August 24<sup>th</sup>, the annual Trump National Wine and Beer Festival is scheduled to occur at Trump National between 12 noon and 4pm. The event is expected to draw up to 2,000 visitors. As a result, some public trails will be closed around Founders Park during the event parking will be prohibited on adjacent City streets. Similar to past events, temporary trail restriction and parking restriction signage will be installed and Sheriff Deputies will be posted at nearby intersections to control traffic. The Community Development Director will be on site in advance and during the first half of the event to make sure all conditions of imposed on the event (see attached Notice of Decision) are being met. If any Council members should be contacted during the event about problems with the event, please contact the Director at 310-863-6373.

# COSTS ASSOCIATED WITH ENLARGED WATER METERS DUE TO THE INSTALLATION OF FIRE SPRINKLERS

The currently adopted 2013 Building Code (and the previously adopted 2010 Building Code) requires that fire sprinklers be installed for all new single family dwellings. Back in 2010 when the previous code was being considered for adoption, staff received an inquiry from a City resident on whether anything could be done about the high fees charged by Cal Water Service to residents that have to up-size their water meters to meet this fire sprinkler requirement. The matter was referred to Cal Water and the PUC whom replied that this issue would be addressed in the next general rate case (GRC) filing to be considered in July of 2012. This information was shared at that time with the Council and the concerned resident.

Staff recently received an inquiry from a City resident in regards to this matter. As a result, Staff contacted Cal Water and the PUC for a status update. Staff received a reply from Cal Water that a settlement agreement was approved by the PUC on August 12, 2014. Posted below is the information received from Cal Water, Staff will alert the resident that recently brought this matter to our attention of this and place this information on the City's website to alert other City residents.

Community Development Department Weekly Administrative Report August 20, 2014 Page # 2

The final decision on California Water Service Company's 2012 General Rate Case (GRC) Settlement Agreement was approved by the California Public Utilities Commission (CPUC) yesterday August 12<sup>th</sup>, 2014. The Advice Letter Filing for Sprinkler Discount Rates on domestic water services that are required to be up-sized from 5/8" meters to 1" meters will not be effective until mid to end of October 2014. We will have a separate bill insert to address details. In short, customers will need to contact Cal Water and provide support to receive the discounted rate and will not be retroactive.

The Palos Verdes Tariff Area Residential Meter Service Charge for 5/8" meters will be \$18.30 per month.

Please let me know if you have any questions.

Thank you, Dan Trejo, Acting District Manager California Water Service Co. Rancho Dominguez District 310-257-1425

#### PLANNING COMMISSION AGENDA

Attached is the "Draft" Agenda for the Planning Commission meeting on August 26, 2014.

## **APPLICATIONS OF NOTE**

Attached is a table with a summary of the Applications of Note that were submitted to the department between Wednesday, August 13, 2014 and Tuesday, August 19, 2014.

#### **ATTACHMENTS**

- Notice of Decision for Trump National Wine and Beer Festival
- California Water Service Co. 2012 (GRC)
- Draft Agenda for Planning Commission Meeting
- Applications of Note

June 5, 2014

#### NOTICE OF DECISION

NOTICE IS HEREBY GIVEN that the City of Rancho Palos Verdes has approved a request for a Special Use Permit (Case No. ZON2014-00119).

Location: Trump National Golf Club, which is located at the intersection of Palos Verdes Drive

South and Trump National Drive/Forrestal Drive.

Applicant: VH Property Corp.

Landowner: VH Property Corp.

Said approval will allow the "2014 Trump National Wine and Beer Festival" to occur at the Trump National Golf Club. The approval is subject to the following conditions:

- 1. Within 10 business days of this approval, the applicant shall submit a statement in writing that they have read, understand and agree to all the conditions of approval listed below. Failure to provide said written statement shall render this approval null and void.
- 2. The Community Development Director is authorized to make minor modifications to the approved preliminary plans or any of the conditions if such modifications shall achieve substantially the same results as would strict compliance with said plans and conditions.
- 3. The abandonment or non-use of this approval after August 24, 2014 shall terminate the approval and any privileges granted hereunder shall become null and void.
- 4. The event date is Sunday, August 24, 2014. The event, which is expected to draw up to 2,000 visitors, will occur from 12 noon to 4:00pm.

Founders Park, both public parking lots adjacent to the Clubhouse, Trump National Drive and trails within and accessing Founders Park will be closed during the event. There will be some preparatory set-up in Founders Park on the afternoon of Saturday, August 23, 2014, however, those efforts shall not have any impact upon public access to Founders Park, the use of the adjacent public parking lot on the east side of the Clubhouse, the beach, trails or restaurant.

Public trails located on the eastern and western edges of the Trump National Golf Club, as well as all bluff top trails and beach access trails will be open during the event. However, while normally there is trail access from the west side of the Trump National site through Founders Park to the east side of the Trump National site, that through access will not be available during the day of the event since the trails through Founders Park will be closed. The Clubhouse restaurant will be open for a buffet offered for the patrons of the event, a limited menu for patrons during the day, and open to the general public during dinner starting at 6pm. The Golf Course will remain open during the event. The Driving Range will be open until 10:30am at which time will be prepared for patron parking.

Parking for the event will be through the use of on-site parking lots and the vacant residential lots located at a higher elevation above the Clubhouse. The driving range, vacant residential lots located between the driving range and Palos Verdes Drive South, and the vacant residential lots located off of La Rotonda Drive may be used if needed. Use of the dirt access driveway located adjacent to and at the same level as Palos Verdes Drive South shall be prohibited. Further, if the driving range is used for parking, then there shall be no exit point located at the northwest corner of the subject site/driving range directly on to Palos Verdes Drive South. Public access to the event will be via direct walking access or small Shuttle Buses from the parking areas described above to the main entrance.

Sheriff's deputies will be posted at the following nearby intersections to control traffic flow

- · Palos Verdes Drive South and Ocean Trails Drive; and
- Palos Verdes Drive South and La Rotonda Drive if it is necessary to park vehicles on the eastern side of the project site; and,
- One officer will roam neighboring streets informing visitors of parking restrictions.

Event parking on neighboring public streets will be prohibited - no event parking signs will be installed in surrounding neighborhoods and event staff/sheriff's deputies will monitor neighboring streets to ensure event parking does not occur in those areas.

Various tents and temporary restroom facilities will be located within Founders Park.

Any changes to the established schedule of event or these conditions shall be subject to further review and approval of the Director.

- 5. After the event, the site shall be restored completely to its pre-event condition. All trash, debris, and remnants of the event shall be removed from the site no later than 12 noon on Monday, August 25, 2014. All signage for the event located off-site shall be removed no later than 12 noon Monday, August 25, 2014.
- 6. No lighting shall be permitted during the event. Live music (band and/or soloist) may be permitted during the event; however, any speakers shall face towards the ocean to reduce potential noise impacts.
- 7. Prior to August 15, 2014, the applicant must provide the Community Development Director with a contact person and phone number, who can be reached at the day of the event. This phone number will be provided to the Seaview Homeowner's Association president as well. This person will also need to be available to meet with Staff during the event and have the ability to make decisions to address problems that may arise.
- 8. Off-site parking on public streets for this event is strictly prohibited.
- 9. The toilet facilities shall be placed on the property in such a place that is not readily visible from the surrounding residential uses.
- 10. Waste disposal for the event shall only be through a City approved vendor. Prior to August 15, 2014, the applicant shall obtain approval from the Department of Public Works for their waste disposal vendor.
- 11. Water shall be applied to dirt areas where vehicles will be circulating and parking to control dust. Such water shall be applied to these areas prior to the event and during the event as necessary to avoid any dust from being created.
- 12. There shall be no driving of any vehicles (maintenance or event attendees) on the dirt road, parallel and adjacent to Palos Verdes Drive South.
- 13. Subject to review and approval by the Director and/or Director of Public Works, the applicant shall install temporary signs along each side of the following streets: Forrestal Drive, Pirate Drive, Sea Raven Drive,

Phantom Drive, Palos Verdes Drive South (including within the Portuguese Bend Club), Nautilus Drive, Exultant Drive, Stalwart Drive, Aqua Vista Drive, Seacliff Drive and Palo Vista Drive stating "RESIDENT PARKING ONLY, NO EVENT PARKING PERMITTED". Said signs shall be of size and color that will make them clearly visible to motorists. Said signs shall be installed by 10 a.m. on the day of the event.

- 14. Subject to review and approval by the Director and/or Director of Public Works, the applicant shall install temporary signs along each side of the following streets: Palos Verdes Drive South (within the Seaview Tract), Admirable Drive, Conqueror Drive, and Schooner Drive; and the entrances to the Seaview neighborhood stating "NO EVENT PARKING PARKING BY PERMIT ONLY". Said signs shall be of size and color that will make them clearly visible to motorists. Said signs shall be installed prior to the start of the event.
- 15. Sheriff's deputies and volunteers shall be posted at all parking lots and nearby intersections (see condition #4 above) to control traffic flow. At least 4 Volunteers shall be posted at each parking area to assist with parking flow.

Deputy and volunteer hours shall coincide with the opening and closing operating hours.

- 16. Equipment/construction vehicles used during the event set-up and breakdown shall not be parked on City streets when not in use.
- 17. During the event all public trails shall remain open with the exception of the public trails along Trump National Drive and through Founders Park. The dirt pedestrian trail along the bluff side of the Founders Park shall also remain open during the event. More specifically, the following trails will remain open; two trails along the eastern side of the project through Shoreline Park to the bluff edge and beach below; trail along the bluff edge with 3 beach access points; trail from La Rotonda Parking Lot to the bluff edge; and a trail along the western project boundary to the bluff. It is important to note however, that while normally there is trail access from the west side of the Trump National site through Founders Park to the east side of the Trump National site, that particular through access will not be available during the day of the event since the trails through Founders Park will be closed. As such, access from the west side to the east side, and vice-versa will not be available during the event with the exception of the trail parallel and adjacent to Palos Verdes Drive South.

Further, to ensure proper notification of trail closures to visitors, the Applicant shall comply with the following:

- 1) trail temporary signage shall be provided at various locations throughout the site at least 7 days in advance of the meeting notifying visitors of the upcoming trail closure dates;
- 2) temporary trail maps shall be provided at various locations, including at trail entry point(s), during the day of the event notifying visitors of the open and closed trails;
- 3) a meeting shall be held between Trump staff (including security staff) and City Staff within 7 days prior to the event to discuss trail closures and how to direct visitors to open trails; and
- 4) City Staff shall review and approve all temporary trail signage/maps at least 7 days prior to the event.
- 18. Approval of this Special Use Permit does not in any way cause any changes to any of the conditions of approval or mitigation measures previously adopted for the Trump National Golf Club project. All previously adopted conditions of approval or mitigation measures shall remain in full force and effect and are to be complied with while this event takes place.
- 19. The property shall be clean and maintained in a neat and orderly manner during the special event.
- 20. Failure to adhere to all of these conditions shall result in the Community Development Department's denial of such event in the future. The Community Development Department will visit the site, before, on, and after the date of the event to verify compliance with these conditions.

- 21. The Director may revoke this Special Use Permit at any time, if, in the opinion of the Director, the City Geologist, or the Director of Public Works, the event is adversely affecting the public health, safety and welfare.
- 22. Community Development Department Staff, Public Works Staff and/or the City's Geologist may visit the site before, during and after this event to verify compliance with these conditions.
- 23. As determined by the City's Building Official, the applicant shall obtain a building permit for any temporary tents, if necessary
- 24. At least one Emergency Management Teams/First Aid Station shall be provided on site during the event.
- 25. It is anticipated that up to 2,000 visitors may attend the event. The Site has retained up to 7,000 visitors in past events. If all of the parking areas identified in Condition #4 above are filled, then the Applicant shall not permit any additional customers into the event.
- 26. Prior to August 15, 2014, the applicant must provide City Staff with two admission tickets for the event that allows access to all areas of the event in order for Staff to ensure compliance with these conditions during the event on Sunday, August 24, 2014. Additionally, on Saturday, August 23, 2014, the Applicant shall be available to meet with Staff on the site so that Staff can verify that, with exception to set-up in Founders. Park, no other public areas/trails including the public parking lot on the east side of the Clubhouse will be impeded on that day (Saturday).

This decision may be appealed, in writing, to the Planning Commission. The appeal shall set forth the grounds for appeal and any specific action being requested by the appellant. Any appeal letter must be filed within five (5) days of the date of this notice, or by 5:30 PM on Tuesday, June 10, 2014. A \$2,275.00 appeal fee must accompany any appeal letter. If no appeal is filed timely, the Director's decision will be final at 5:30 PM on June 10, 2014.

If you have any questions regarding this permit, please contact Deputy Community Development Director, Gregory Pfost at (310) 544-5228 or via email at gregp@rpv.com.

City of Rancho Palos Verdes

AUG 1 8 2014

City Manager's Office

Ms. Carolynn Petru City Manager, City of Rancho Palos Verdes 30940 Hawthorne Boulevard Rancho Palos Verdes, CA 90275

Dear Ms. Petru:

At its meeting on August 14, the California Public Utilities Commission (CPUC) issued a final decision on California Water Service Company's 2012 General Rate Case, setting water utility rates for 2014 to 2016 and increasing discounts for low-income customers.

The decision marks the end of a rigorous, 25-month review of Cal Water's operations, costs, and proposed water system improvements by the CPUC's Water Division and Office of Ratepayer Advocates. Cal Water is required to undergo this review process every three years to ensure that rates accurately reflect the costs of providing water utility service. The next required rate review will begin in 2015 and end in 2017.

The final decision essentially approves the Settlement Agreement reached after 26 weeks of deliberations between Cal Water, the CPUC, and numerous other parties to the case. The agreed-upon increase in water utility rates will enable us to continue providing customers with safe, reliable service. It reflects the costs of necessary water system improvements, as well as higher costs associated with operating and maintaining the water system, including preventative maintenance, materials, water production, and water testing and treatment.

The new rates become effective on August 29, 2014, when the typical residential customer in our Palos Verdes system using an average of 17,952 gallons of water per month (24 Ccf) will see water utility charges of \$106.10 in 2014, with smaller, inflationary-type increases in 2015 and 2016. Customers enrolled in our Low-Income Rate Assistance program and who use the typical amount of water will see water utility charges of \$96.95 in 2014. Additionally, because the new rates were scheduled to become effective on January 1, 2014, the CPUC has authorized Cal Water to recover the difference between previous rates and new rates via a temporary surcharge that will begin in mid-September.

We work diligently to operate as efficiently as possible to maintain affordable rates; we recognize that this will continue to be critical as we, like water utilities throughout the country, face rising costs associated with maintaining infrastructure, securing adequate supplies, and delivering safe water.

I would be more than happy to meet with you to provide you with additional details about the decision and answer any questions you may have. Please feel free to call me at (310) 257-1400 so that we can find a mutually agreeable date and time to meet.

I look forward to hearing from you.

Dan Trejo

District Manager, Rancho Dominguez District
